PROGRESSIVE CABINETRY, INC.

Classic Design, Quality and Value.

Bathroom vanity cabinets are an essential component of any bathroom and can add drama to your design and decor. Bathroom sink cabinets provide countertop space, a place for the sink and faucets and great storage below. It's important to have a place for everything in your bathroom that is easily accessible to everyone.

Whether you're upgrading an existing bathroom or installing a new one, a bathroom is one of the best home improvement investments you can make. It's a room that you, your family and guests will enjoy for years to come. And should you ever sell your home, attractive and functional bathrooms add to your home's desirability and selling price.

Progressive Cabinetry is your source for high quality bathroom renovations at truly affordable prices. Choose from our extensive selection of classic or contemporary styles. All of our top-quality bathroom vanities and cabinets are designed for immediate installation by the homeowner or contractor, and include such quality features as:

- Plywood construction
- Hand rubbed finishes
- Dove Tail wood drawer construction
- Stainless Steel self closing undermount drawer glides
- Six-way adjustable door hinges

Progressive Cabinetry's sales staff is among the most experienced and knowledgeable in the industry. We pride ourselves in providing the highest standard of customer service possible.

If you are interested in a particular product and do not see it in this brochure, please call us at (978) 521-9100, or send an email to info@progressivecabinetry.com.
